

## Caribou Bingo Sheet #13

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Insulation	Fall migration	Cratering	Bio-accumulation	Satellite & radio-collaring
Fish	Fungi	Ungulates	Habitat encroachment	Co-management
Fish hooks	Barren-ground	Habitat encroachment	Oil and gas	Composition count
Inukshuks	Key habitats	Pelage	Golden eagle	Harvest study
Pemmican	Calving grounds	Tendons	Wolves	Traditional knowledge

## Caribou Bingo Sheet #14

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

<b>Caribou Bingo</b>				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Insulation	Low snowfall	Tendons	Black flies	Composition count
Warble flies	Crustose	Chionophile	Brucellosis	Satellite & radio-collaring
Inukshuks	Calving grounds	Ungulates	Oil and gas	Aerial surveys
Babiche	Key habitats	Rut	Stress syndrome	Indicator species
Fish hooks	Barren-ground	Pelage	Golden eagle	Co-management

## Caribou Bingo Sheet #15

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Gold rush	Fall migration	Chionophile	Nose bot flies	Analyze their droppings
Babiche	Beringia	Females have antlers	Black flies	Aerial surveys
Hollowed caribou hooves	Barren-ground	Cratering	Bio-accumulation	Composition count
Fish	Fungi	Habitat encroachment	Oil and gas	Harvest study
Warble flies	Tundra	Rut	Brucellosis	Traditional knowledge

## Caribou Bingo Sheet #16

To accompany the Project Caribou learning resource, p. 52.  
 (See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

<b>Caribou Bingo</b>				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Insulation	Low snowfall	Tendons	Habitat encroachment	Traditional knowledge
Hollowed caribou hooves	Ecosystem	Velvet	Roads	Analyze their droppings
Pemmican	Crustose	Habitat encroachment	Stress syndrome	Poaching
Warble flies	Beringia	Chionophile	Bio-accumulation	Composition count
Fish	Key habitats	Females have antlers	Golden eagle	Licenses and quotas

## Caribou Bingo Sheet #17

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Inukshuks	Key habitats	Velvet	Nose bot flies	Indicator species
Pemmican	Fungi	Cratering	Roads	
Fish	Barren-ground	Tendons	Bio-accumulation	Co-management
Babiche	Ecosystem	Rut	Wolves	Analyze their droppings
Gold rush	Fall migration	Pelage	Brucellosis	Licenses and quotas

## Caribou Bingo Sheet #18

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Fish	Fall migration	Rut	Golden eagle	Poaching
Trophy hunters	Crustose	Velvet	Roads	Indicator species
Babiche	Calving grounds	Tendons	Nose bot flies	Aerial surveys
Pemmican	Tundra	Chionophile	Stress syndrome	Analyze their droppings
Hollowed caribou hooves	Low snowfall	Females have antlers	Wolves	Composition count

## Caribou Bingo Sheet #19

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Insulation	Fall migration	Tendons	Nose bot flies	Poaching
Fish	Beringia	Velvet	Roads	Indicator species
Fish hooks	Barren-ground	Habitat encroachment	Bio-accumulation	Aerial surveys
Inukshuks	Fungi	Chionophile	Wolves	Analyze their droppings
Pemmican	Tundra	Females have antlers	Brucellosis	Composition count

## Caribou Bingo Sheet #20

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Insulation	Fall migration	Chionophile	Golden eagle	Traditional knowledge
Warble flies	Fungi	Females have antlers	Roads	Analyze their droppings
Inukshuks	Barren-ground	Cratering	Nose bot flies	Poaching
Babiche	Key habitats	Habitat encroachment	Stress syndrome	Composition count
Fish hooks	Calving grounds	Rut	Wolves	Licenses and quotas

## Caribou Bingo Sheet #21

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Gold rush	Fall migration	Tendons	Nose bot flies	Indicator species
Babiche	Crustose	Chionophile	Black flies	Harvest study
Hollowed caribou hooves	Calving grounds	Ungulates	Bio-accumulation	Co-management
Fish	Tundra	Rut	Oil and gas	Analyze their droppings
Warble flies	Low snowfall	Pelage	Brucellosis	Licenses and quotas

## Caribou Bingo Sheet #22

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Inukshuks	Calving grounds	Velvet	Wolves	Aerial surveys
Insulation	Fungi	Dew claws	Oil and gas	Co-management
Warble flies	Barren-ground	Ungulates	Roads	Satellite & radio-collaring
Fish hooks	Beringia	Lichen	Nose bot flies	Composition count
Hollowed caribou hooves	Crustose	Pelage	Habitat encroachment	Analyze their droppings

## Caribou Bingo Sheet #23

To accompany the Project Caribou learning resource, p. 52.  
(See [www.projectcaribou.net](http://www.projectcaribou.net) for more information).

### Caribou Bingo

People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Fish hooks	Fall migration	Females have antlers	Wolves	Indicator species
