

Caribou Bingo Sheet #1

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Inukshuks	Beringia	Velvet	Habitat encroachment	Indicator species
Insulation	Calving grounds	Dew claws	Roads	Harvest study
Warble flies	Fungi	Ungulates	Bioaccumulation	Licenses and quotas
Fish hooks	Crustose	Lichen	Black flies	Aerial surveys
Hollowed caribou hooves	Low snowfall	Chionophile	Golden eagle	Poaching

Caribou Bingo Sheet #2

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Gold rush	Fall migration	Females have antlers	Nose bot flies	Harvest study
Inukshuks	Beringia	Pelage	Wolves	Co-management
Insulation	Tundra	Tendons	Black flies	Indicator species
Pemmican	Low snowfall	Rut	Oil and gas	Analyze their droppings
Hollowed caribou hooves	Barren-ground	Cratering	Brucellosis	Composition count

Caribou Bingo Sheet #3

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Fish hooks	Calving grounds	Velvet	Bioaccumulation	Composition count
Babiche	Fungi	Dew claws	Wolves	Aerial surveys
Warble flies	Barren-ground	Lichen	Oil and gas	Analyze their droppings
Trophy hunters	Beringia	Cratering	Roads	Licenses and quotas
Insulation	Crustose	Tendons	Stress syndrome	Poaching

Caribou Bingo Sheet #4

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Pemmican	Fall migration	Velvet	Golden eagle	Traditional knowledge
Babiche	Ecosystem	Dew claws	Habitat encroachment	
Trophy hunters	Calving grounds	Ungulates	Stress syndrome	Analyze their droppings
Insulation	Crustose	Lichen	Oil and gas	Satellite & radio-collaring
Fish	Barren-ground	Pelage	Black flies	Poaching

Caribou Bingo Sheet #5

To accompany the Project Caribou learning resource, p. 52.
 (See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Babiche	Tundra	Rut	Oil and gas	Co-management
Fish	Key habitats	Tendons	Nose bot flies	Harvest study
Insulation	Low snowfall	Chionophile	Stress syndrome	Traditional knowledge
Trophy hunters	Calving grounds	Females have antlers	Habitat encroachment	Indicator species
Warble flies	Crustose	Pelage	Black flies	Composition count

Caribou Bingo Sheet #6

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Insulation	Fall migration	Pelage	Nose bot flies	Traditional knowledge
Fish hooks	Key habitats	Rut	Oil and gas	Co-management
Gold rush	Barren-ground	Ungulates	Golden eagle	Satellite & radio-collaring
Hollowed caribou hooves	Beringia	Lichen	Habitat encroachment	Aerial surveys
Inukshuks	Fungi	Cratering	Stress syndrome	Harvest study

Caribou Bingo Sheet #7

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Inukshuks	Beringia	Cratering	Stress syndrome	Co-management
Insulation	Fungi	Chionophile	Bioaccumulation	Analyze their droppings
Hollowed caribou hooves	Calving grounds	Rut	Oil and gas	Traditional knowledge
Warble flies	Key habitats	Ungulates	Roads	Harvest study
Babiche	Fall migration	Pelage	Golden eagle	Licenses and quotas

Caribou Bingo Sheet #8

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Pemmican	Beringia	Pelage	Black flies	Poaching
Gold rush	Crustose	Lichen	Nose bot flies	Indicator species
Fish	Barren-ground	Ungulates	Brucellosis	Harvest study
Insulation	Ecosystem	Tendons	Bioaccumulation	Satellite & radio-collaring
Hollowed caribou hooves	Fall migration	Females have antlers	Golden eagle	Licenses and quotas

Caribou Bingo Sheet #9

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Inukshuks	Tundra	Tendons	Brucellosis	Composition count
Fish	Low snowfall	Chionophile	Habitat encroachment	Traditional knowledge
Hollowed caribou hooves	Barren-ground	Lichen	Golden eagle	Licenses and quotas
Trophy hunters	Key habitats	Velvet	Stress syndrome	Harvest study
Fish hooks	Ecosystem	Rut	Bioaccumulation	Poaching

Caribou Bingo Sheet #10

To accompany the Project Caribou learning resource, p. 52.
 (See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Trophy hunters	Barren-ground	Tendons	Habitat encroachment	Licenses and quotas
Insulation	Crustose	Cratering	Bioaccumulation	Indicator species
Warble flies	Low snowfall	Chionophile	Oil and gas	Composition count
Inukshuks	Beringia	Dew claws	Stress syndrome	Co-management
Pemmican	Fungi	Velvet	Black flies	Aerial surveys

Caribou Bingo Sheet #11

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Fish	Fall migration	Dew claws	Golden eagle	Aerial surveys
Babiche	Calving grounds	Rut	Nose bot flies	Co-management
Warble flies	Crustose	Ungulates	Brucellosis	Satellite & radio-collaring
Gold rush	Low snowfall	Pelage	Wolves	Composition count
Fish hooks	Key habitats	Females have antlers	Oil and gas	Analyze their droppings

Caribou Bingo Sheet #12

To accompany the Project Caribou learning resource, p. 52.
(See www.projectcaribou.net for more information).

Caribou Bingo				
People and Caribou	Habitat	Adaptations and behaviour	Hazards	Conservation & Management
Pemmican	Calving grounds	Velvet	Wolves	Aerial surveys
